### FOR IMMEDIATE RELEASE

#### **Delta Systems Engineering Sponsors and Participates in 2<sup>nd</sup> Annual Run for World Water**

PHOENIX, AZ –April 10, 2013 – For the second year, Delta Systems Engineering Inc. (DeltaSE) has sponsored and participated in the Annual Run for World Water hosted by the non-profit organization, Water For People. The 5K Run/1K Walk takes place each year at local Kiwanis Park in Tempe, Arizona to raise proceeds for the organization and who's mission is to support the development of sustainable drinking water facilities, sanitation facilities, and hygiene education programs in developing countries.

To show our continued dedication and support for the event, DeltaSE sponsored entrants in this year's event, held on March 16<sup>th</sup>, as well as provided granola treats in registrant bags. DeltaSE is a proud supporter of Water For People and their mission. The firm plans to sponsor more entries for next year's event for staff and their family members.

Donations can also be made directly to Water For People on their website:
